

**REMARKS**

In the Office Action, the specification and the claims were objected to because of certain formalities. In response, Applicants have amended the specification at paragraphs [0015] and [0017] as suggested in the Office Action. In addition, Applicants have amended claims 2, 21 and 33 to change the term "aperture" to "opening," for which there is antecedent basis.

Applicants respectfully request withdrawal of the objections and allowance of the application. If the Examiner is of the opinion that the instant application is in condition for disposition other than allowance, the Examiner is respectfully requested to the undersigned attorney at the telephone number listed below in order that the Examiner's concerns may be expeditiously addressed.

Respectfully submitted,

Date: 7 March 2005
